## **ROUTE 210 CLOSURE NOTIFICATION – WEEK OF DECEMBER 4**

The Route 210 construction project will require the following closures in San Bernardino the week of December 4:

### **Highland Avenue – Lane closure**

A westbound lane closure will occur on Highland Avenue between California Street and State Route 30 on-ramp in San Bernardino, December 4 from 9 to 11:30 a.m. One lane in each direction will remain open at all times to motorists.

### **Southbound Interstate 215**

Construction crews will remove median barriers on southbound Interstate 215 between University Parkway and Route 30 in San Bernardino requiring alternating inside lane closures from 8 a.m. December 4 to 5 a.m. December 5.

### **Eastbound Route 30**

A full closure of eastbound Route 30 will occur between the Route 30 on-ramp at Highland Avenue and H Street in San Bernardino. Construction crews will install median barriers from 8 a.m. December 4 to 5 a.m. December 5. During this closure, motorists can continue east on Highland Avenue, travel north on H Street and enter eastbound Route 30.

### **Southbound Interstate 215 connector to eastbound Route 30**

A full closure of the southbound Interstate 215 connector to eastbound Route 30 in San Bernardino will continue through December 4. Motorists should continue on Interstate 215 past the interchange and exit at the 27<sup>th</sup> Street/Mt. Vernon off-ramp, turn west onto Highland Avenue and turn northeast to enter eastbound Route 30 as an alternate route during this closure.

### **State Street – Full closure**

A full closure of State Street north of Highland Avenue in San Bernardino will remain in place through late 2006 for ongoing storm drain improvements. Motorists should use Macy Street via Adams Street and Highland Avenue as the detour. The full closure will remain in effect 24 hours per day.

### **Cajon Boulevard– Intermittent full closures**

Bridge construction will require intermittent full closures of Cajon Boulevard between Hancock Avenue and Medical Center in San Bernardino. Alternating closures will be in effect through late 2006. During the closures, motorists and pedestrians can use California Street, Highland Avenue and Medical Center Drive as an alternate route. Detour signs are in place to direct drivers through the area.

### **Eastbound Route 30 to northbound Interstate 215**

A full closure of the eastbound Route 30 connector to northbound Interstate 215 will continue until the Route 210 construction is complete in 2007. As an alternate route, motorists should travel east on Highland Avenue, north on 27<sup>th</sup> Street and enter northbound Interstate 215.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov). SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.
